Anasarca; but as for the Dropfs, call'd Afeines, and where the Lymphaticks are burit, he thinks 'twill do more hurt than good, for Reafons very obfvious, because, its scouring Quality will still farther pro-
mote the Extravafation of Serum. The Dole is a Pint every Morning, fasting.

XV. Juniper-ale, thus prepar'd; Take Juniper Berries well bruis'd, 4 Ounces; Raisins of the Sun, half a Pound, and hang them in 4 Gallons of Ale, The Dr. fays, 'tis grateful both to the Sto-
mach, and Palat, breaks off Wind, cleansfeth the Kidneys, washes off Gravel and Sand, heals fore and tender Passages, and is of Service to all who are troubl'd with either Stone, or Spleen: To be drank 2 or 3 Times a Day.

XVI. Another Juniper-Ale, thus prepared: Take Juniper Berries, well bruis'd, 1 Pound, Raisins of the Sun ftton'd, half a Pound; Pine-rops, St. John's, Wort, Agrimony, Cenaury, 4 Handfuls each; Gentian Root fic'd, Calamus-aromaticus, Spanish Angelica Root, and Winter Bark, of each an Ounce. Put all together into a Bag for 9 Gallons. The Dr. fays, 'tis good for all the Intentions as the former, and is a better Stomachic. It will do good Service to drink of it every Morning, about a Pint, if the Ale 'tis made with be not too
strong.

XVII. A Drink against the Itch. Take Sena 6 Ounces; Mechoacan, 3 Ounces; Liquorice, an Ounce and half; Caraways, an Ounce; Roots of $ha$ pointed Dock, a Pound and half; Polyfody and Madder each half a Pound; Scabious, and Agrimo-
mony, each 3 Handfuls; Crude Antimony, in grofs Powder, one Pound; hang in a Bag of 5 or 6 Gallons of Ale, while it ferments. This makes a
