6. To enter the Competition, entrants must, during the Competition Period, follow the entry method and instructions specified in Part A.
7. Entries must be received by the University during the Competition Period. Entrants may submit up to the maximum number of entries specified in Part A. Multiple entries (where permitted) must be submitted separately and if the Competition requires the submission of a creative work, each entry by the same entrant must be unique and original. If an entrant submits multiple entries in excess of the permitted maximum, only the entry or entries most recently submitted (up to the permitted maximum) will be accepted by the University.
8. If entrants are invited to answer a question, send in comments, photos and/or videos (or other multimedia) as part of their entry, each entry must be an original work by the entrant and the entrant must have obtained the permission from all persons appearing in photos/videos and property owners to enter this competition in accordance with the Terms. Each entrant warrants that their entry is not, and its use by the University or other persons will not infringe the rights (including intellectual property rights) of any third party.
9. Each entrant is responsible for notifying the University of any changes to his/her residential address, email address or phone number during and after the Competition Period.
10. The Competition is a game of skill, chance plays no part in determining the winner/s and each validly submitted entry will be individually judged by representatives of the University as specified in Part A, on the basis of originality and creativity, and according to any other criteria specified or adopted by the University.
11. A decision of the University in relation to the conduct of the Competition, including the selection of winning entries, is binding and conclusive and no correspondence will be entered into.

13. Unless otherwise specified in Part A, prizes must be claimed within 1 month of the judging date. If a prize is event-based or contains perishable goods, the prizes will be forfeited in full if not claimed by their expiry date. If a prize is not claimed within the specified time, the University may, at its discretion, withdraw the prize or award the prize to the next best valid entry or entries.
